LMU-5531 and VNG-5530 Transition to End of Life – EOL-190716

PCN Type: EOL – Product and Part Number Transition**PCN Reason:** Component End of Life

CalAmp has reached a transition point in the lifecycle of the LMU-5531 and Vanguard Mobile product variants. Due to an unexpected surge in customer demand coupled with tight global supply, tariff mitigation and EOL component supply constraints, CalAmp cannot support any orders for the LMU-5531 and Vanguard Mobile PNs. A refreshed design in development to extend the life of the LMU-55xx product, known as the LMU-5541. This successor product, will include a cellular radio update to prepare for global LTE transitions and address current EOL radio components. Expected to available in early 2020.
