## Vanguard 5530, Vanguard 600 and Accessory Transition to End-of-Life

**PCN Type:** EOL – Product and Part Number Transition**PCN Reason:** Market Drivers, Component Constraints

CalAmp has reached a transition point in the lifecycle of all Vanguard 5530 and all Vanguard 600 product variants, along with all associated compatible accessories. Due to market drivers, component constraints, as well as fluctuations in demand, all Vanguard product SKUs listed in this notice can no longer be supported in run rate volumes necessary to support consistent stock.
